

## SCMF AWARDED INVESTORS CHOICE AWARD 2022

March 2022

The Sona Credit Master Fund has been awarded the 2022 Investors Choice Award for the EMEA Event Driven Fund – Between \$500m and \$1bn.

Allocator grants a select few funds that have outperformed their peers the Top Performer award in each category. SCMF was granted a Top Performer Award in the Event Driven category, which is determined based on absolute returns from 1<sup>st</sup> January to the 31<sup>st</sup> December, 2021.

Within each category, the Top Performers are then scored by a panel of 140 institutional investors on a range of qualitative factors, such as investment processes, risk framework, transparency, team, and ability to generate alpha. We are humbled and delighted to have been chosen as the winner of the Investors Choice Award for the Event Driven Fund - Between \$500m and \$1bn.

Commenting on the award, John Aylward, Sona's CIO said: "As catalyst-driven investors, we seek scenarios where we are rewarded for proactivity, fundamental analysis, and technical ability. Event-driven situations form a core part of our All-Weather strategy, and we are delighted to have been awarded the Investors Choice Award for the Event Driven Fund - Between \$500m and \$1bn."
