

SONA ASSET MANAGEMENT: CREDIT ALPHA

June 2022

John Aylward, Founder and CIO, had an in-depth conversation with The Hedge Fund Journal about Sona's liquid and illiquid credit strategies. The article covers the alpha opportunities available to both Sona's liquid European Credit Long/Short strategy (All-Weather), and the private credit strategy, Capital Solutions.

John also shared his thoughts on the current macro environment, the outlook for the remainder of 2022 and where he sees the greatest opportunities for Sona as it continues to grow.

Thank you to Hamlin Lovell and the rest of the HFJ team.
